Agriculture Big Feature of Fair Here Aug. 29-31

Plans are about perfected for the best fair Raymond has yet held, Tuesday, Wednesday and Thursday, Aug. 29-30-31. Entries will be accepted during the three days prior to the exhibition, and the exhibitors are urged to make their entries as early as possible. Secretary Kimball will have his office in the town hall, which is centrally located.

The public should not lose sight of the fact that primarily the fair is an agricultural one. The Stampede is being kept secondary in importance. The prize list is replete with excellent prizes for all live stock classes, grains, grasses vegetables, ladies work, educational work, etc., and already indications are that the number of exhibitors will equal if not exceed those of last year. While it is too early for threshed grain, there will be some magnificent grain shown in stock.

Miss Martha Dunn, who with her father publishes the Toole County (Utah) Transcript, is here visiting her sister, Mrs. S. Farnham Kimball. As in Canada, Miss Dunn reports that in the States the cost of producing a newspaper and job printing, has practically doubled the past two years. She says the paper situation there is really serious, and measures are being taken to conserve all waste paper.

Mrs. Spence Young, of Salt Lake, is visiting her father, C. W. Brewerton, for a month.

Dr. Wray Writes Explanatory Letter

Capt. J. S. Wray M. D., writing from Sarcee Camp, says:
 To the people of Raymond,

It does not seem necessary for me to make any excuse for leaving my services to my country at this time. I regard it as a great privilege to go with the boys who are gallantly going forth to defend their country.

In leaving Raymond, however, I do not wish to be misunderstood. I have been quoted as saying that the Raymond community could not support a doctor. This is only part of the truth and therefore misleading. Anyone who knows the difference between a Canadian and an American nickel can see that it was greatly to my advantage to turn over my house, my practice and good will which I derived from Dr. J. H. Rivers to a resident successor who would suitably compensate me for the same. I did all I could to get a doctor to take my place. Only two investigated. Both turned the proposition down on receiving a truthful statement of my cash income. The natural conclusion was that at that time July 15, 1916, no practitioner considered the location at Raymond attractive enough. Dr. Dies did not consider his income from Magrath sufficient and would have left there if it had not been for the prospect of Raymond being left without a physician.

This war time is one of grim sacrifices and for a short time now the citizens of Raymond must make a sacrifice that war. In a few months doctors will be falling over themselves to get into Raymond. I am sure that those who are reasonable will see the situation as

Is America Cradle of Race? Strange Relics Unearthed

Although the cradle of the race is generally believed to be Asia it may yet be proven that America holds that distinction. As an evidence of the great antiquity of man on this continent comes the following interesting press dispatch from Athens, Pa.

"The archaeologists who are traversing the Susquehanna river to the bay visiting sites of Indian villages and digging up the bones of Aborigines are said to have made a most astounding discovery on the Murray farm, near here, in finding the bones of 68 prehistoric men.

The average height of these men when their skeletons were assembled, was 7 feet while many were much taller. Additional evidence of their gigantic size is found in the massive stone battle axes in their graves. The average age of these men is said to have been from 30 to 40.

Another amazing point of this discovery is the allegation that "perfectly formed skulls were found from which horns grew straight out from the head."

I do. In the meantime if the town and its organizations would make provisions for a small hospital with a trained nurse and free beds you would not be able to keep a doctor out.

I extend a very hearty invitation to see me at Sarcee camp. The Army Medical Corps need more men and I extend an urgent invitation to unmarried men of military age to join us.

Respectfully yours,
 J. S. Wray M. D.

Pleased With Fields And Garden Contest

W. J. STEPHEN R.S.A., who was judge in the Standing Fields and Gardens Contest

Judgment was passed this week in the garden and standing wheat fields competitions held by the Raymond Agricultural Society under the auspices of the federal and provincial departments of agriculture.

W. J. Stephen, principal of the Chesholm School of Agriculture, officiated as judge, and marvelled at the very fine gardens and grain fields entered. His awards were as follows:

GARDENS

First, Hyram Kimball.
 Second, George Jones.
 Third, Charles Everson.

WHEAT FIELDS

First, Henry Holmes.
 Second, James S. Anderson.
 Third, A. B. Scovill.

Local Notes

LOST—Two year old white faced Heifer, slightly blind. Branded script G & half circle over. \$5 offered for recovery. Apply, —Lichfield, Raymond.

S. Fye, of Oxford, Ohio, was in the district this week and while here disposed of a half section of land known as the old Cow Pasture to James Hoggie for a good figure.

A party consisting of H. S. Allen and family, Rollo and Bert Kinsey, Lee Brewerton and Bry Kenny returned from the Lakes Saturday.

Charles McCarty returned last week from Salt Lake, where he has been residing for some months.

Harold, son of L. D. King, was operated on in the Galt Hospital last week for tonsillitis. The operation was successful.

Dr. Fletcher wishes to announce that after Sept. 1st, he will discontinue his weekly visits to Raymond but will visit Magrath instead.

Will Stone returned from the Galt Hospital last week where he underwent an operation and treatment for a very severe attack of appendicitis. His recovery is considered quite remarkable.

Mr. Hanna, whose removal from Warner was reported in our last issue, is leaving the C. P. R. to accept a position with the Alberta and Great Waterways railway.

A. W. Kirkham and William Lamb, and their boys, returned last Sunday from their fishing trip to the mountains. Bert's promised story came in the form of a fine basket of mountain trout, and the editor of this paper has "inside" knowledge that it can easily be ranked as Bert's best. Will also brought home a string of beauties.

Mrs. and Mrs. Davis spent a few days at the Lakes this week.

Mr. Fleming dispatched a large shipment of prime hogs this week to the Toronto market. The consignment was in charge of Mitchell Wyman.

A. H. Gunn, brother of Mrs. Hugh Grant, and who has been visiting here for the past month, is returning shortly to his home in the San Diego Valley, Cal. Mr. Gunn was among those unfortunate who lost everything in the terrible floods last Spring in southern California river valleys. He had a beautiful ranch ruined almost completely. Mr. Gunn speaks very highly of Southern Alberta and may return here to establish a permanent home.

Walter Ackroyd is in Utah and Idaho spending a few weeks combining business with pleasure. Before returning Mr. Ackroyd will likely visit Salt Lake in connection with geological research work in which he is intimately associated.

Miss Laura Ririe, Miss Sadie Mercer and Mrs. F. Tollestrup are visiting in Lethbridge this week.

According to the Calgary Morning Albertan Mrs. James Barclay is returning to Lethbridge to reside.

Miss Sue Stacey, of Rexburg Idaho, is visiting with relatives here for a month.

A. Mercer arrived home this week from Utah, where he has been looking after his mining interests for the past few months.

Mr. and Mrs. W. A. Miller are holidaying with relatives at Fort Steele, B. C. They left Monday morning.

Mrs. Amos Peterson entertained a number of her friends at a pleasant afternoon lawn party last Thursday.

Six out of eight students who took the department examinations for public school leaving were successful. They were, Hazel Ririe, Ruby Shelton, Caddie Turner, Barton Poulson, Eldred Hudson, Harold Merkle. Miss Fernie Heninger successfully passed her XI grade work.

Magrath's Fall Fair Sept. 5-6

Tuesday and Wednesday, Sept. 5 and 6, the Deseret Agricultural Society hold their annual fall exhibition. In conversation with the Leader Secretary Ben Matkin speaks very optimistically of the Fair, and predicts one of the best in the history of the society.

The prize lists are out and may be had from the secretary or at the town hall. The list contains several thousand dollars offered in prizes.

From the standpoint of sport the fair will be better than ever. Two days of racing and other sports will be held, details of which will be out in the course of a week.

The fair management makes a special appeal through the Leader for the support of every citizen of Magrath in bringing the 1916 fair to a successful termination. Are you doing your portion? If not get busy right away. You owe it to your community.

Jos. Gondek returned Wednesday evening from a business trip to B. C.

The contract was let this week for the building of a two story business block on the lot immediately south of the post office. The building is being constructed by Long Jim, a prosperous Chinese business man of the town, and will cost in the neighborhood of \$3,000. The second story will be fitted-up with bed-rooms.

Mr. Jim now occupies the old Coleman building on First South, but to keep pace with the growth of the business section, his removal to a site on Main Street was imperative. Lumber is now on the ground and actual building will start in a few days.

The Old Folks held their semi-annual picnic in the Assembly Hall Thursday. The storm prevented the holding of the party in Mercer's Grove as planned. A full report will appear next week.

The program for the regular meeting of the Women's Institute, Wednesday afternoon; Aug. 30th, is as follows: Talk, "Why We Should Exhibit at the Fair," Mrs. Crichfield; piano solo, Miss Myrtle Tomlinson. Soft drinks and other refreshments will be served. The meeting will be held at the home of Mrs. Shelton.

The Flower Show, held annually by the Women's Institute, will be held this year in connection with the fall exhibition of the Deseret Agricultural Society, Sept. 5 and 6. This announcement has just been made by the officers of the Society. The conditions for the entry of flowers and vegetables will be exactly the same as in previous years. No entry fees will be charged and the prize money will be paid by the Institute.

At the council meeting Wednesday evening attended by Mayor Ririe, Ald. Tanner, Heninger and Gibb, the tax rate was struck as follows: 15 mills, general purposes, 23 mills, debenture tax, 11 mills, school purposes. This is practically the same rate as last year. John Vasselenak, representing town solicitor H. Ostlund, who is on a vacation in Utah, was present.

RAYMOND LEADER

F. C. STEELE, Editor

Those who have been following politics in Utah were not surprised at the result of the Republican convention held in Ogden, when Nephew L. Morris won out over Gov. Wan. Spay for gubernatorial honors. The Leader for one is well pleased. A smack was coming to Gov. Spay for vetoing the prohibition bill. Any politician who persistently turns a deaf ear to the people, who enters to the class rather than the mass of citizenship, is bound to fall sooner or later. Crooked work don't go nowadays. We in Canada are at last asserting that fact. Mr. Morris is a brilliant man and a staunch friend to the temperance cause. He looks like a winner. Samuel Bamberger, millionaire railway man, will probably be the Democratic candidate.

Friday evening in the Rex theatre Corp. White D.C.M., and the officials films of the Canadian Fighting Forces in Europe appeared. The patronage was lamentably small considering the excellence of the bill. The pictures and explanations by Corp. White, portrayed in vivid style the part Canada is playing in the Great War. The immortal feat of arms performed by our brave troops at Vimy is shown in a very plain and graphic manner. The pictures should not be missed. They are worth many times the price of admission.

BORN—To Mr and Mrs Albert Grant, at Raymond, a girl.

Miss Emma Jensen, who has been visiting her parents here for the past month, returned to Salt Lake City this week. Miss Jensen is taking a nurses course in the L. D. S. hospital.

Mrs. O'Brien is enjoying a visit from her aged mother from Layton, Utah. Also Mrs. Layton, who is mother of Mrs. J. Alfred Ririe, of Magrath.

The Ladies Aid of the Presbyterian Church served ice cream in a portion of the new Snow block Saturday night. They did not remove the bunting and flags from the building that evening, and sometime during the night, they were torn down by unknown parties. The guilty one have not yet been found. This evidence of unadvised mischief is not the work of boys who are "out" for a little fun or sport, but is maliciously planned and executed. It is to be hoped they are caught and brought to justice. Breaches of law and order of this kind cannot be tolerated in any community.

Sunday evening a welcome home program was given in the first ward in Elder Ervin Fawcett. An appropriate program was rendered as follows: solo, "A Perfect Day," by Miss Ella Milner; address of welcome, Bp. Allred; piano solo, "Home, Sweet Home," N. Lorenzo Mitchell; reading, Miss Jesse Reddick; D. P. Fawcett; vocal solo, "Hand in Hand," F. C. Steele; remarks by the missionary, George H. Brewster occupied the chair.

A pretty wedding was solemnized in Lethbridge last Thursday when Miss Edna Kenny and Mr. Cear Fairbanks were united in marriage. Bishop Green officiating. The wedding was a quiet affair, very few of their Raymond friends being aware of the approaching nuptials. Both are well known in town having resided here for many years. They have taken up their residence in Raymond.
